INFORMATION FOR OUR CUSTOMERS

Williamsburg is situated eight miles from Northampton on the Berkshire Trail, Route 9. The nursery is reached by crossing the cement bridge by the library in the centre of town, turning left and proceeding straight to the top of Village Hill.

We aim to furnish only healthy, vigorous plants correctly named to the best of our knowledge. We can not assume responsibility for damage to plants in transit or for customers subsequent failures with plants due to weather, adverse soil conditions or improper handling. We gladly rectify mistakes for which we are responsible, if errors are reported within 10 days of receipt of plants.

We do a strictly retail cash business and bills are due when presented.

Orders may be sent parcel post or express collect when desired with small additional charge to cover packing. We do not pay postage.

No orders shipped for less than \$1.00.
